30
ppm B/W
Colour

An easy solution to help you realise your dreams.

We know your business never stands still. And at Ricoh, we realise that versatility of speed combined with the highest-quality output – even at 30ppm – will help you achieve more. Designed for workgroups with big ideas, this reliable A4 colour model offers a variety of options to boost productivity and creativity. Thanks to its compact nature, you can position it almost anywhere. But you also get low Total Cost of Ownership, the ability to handle a variety of paper stocks and the option of WiFi Direct connectivity.

- Easy-to-use, 4.3-inch colour touch panel
- LED technology that offers 1200dpi x 1200dpi at full speed
- Lower your company's expenditure with competitive running costs
- Instant printing from portable USB media via the USB-port
- Print from any device via AirPrint and Ricoh Smart Device Print&Scan app

Perfectly practical in every way.

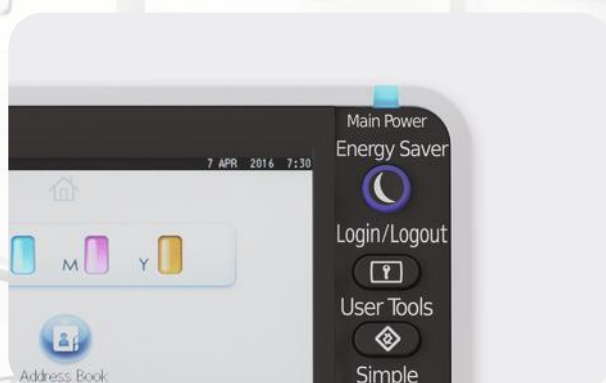

As versatile as you are.

Its compact nature means you can position the SP C352DN almost anywhere in an office or branch environment. With such high functionality, there's always a place for this easy-to-use, yet advanced device. It will handle a variety of different paper options and it also offers banner printing capabilities too.

A powerful way to reduce costs.

Offering a best in class low typical energy consumption (TEC value) and a low Total Cost of Ownership, this model will save on your power costs with its energy-saving sleep mode. Recovering from the sleep mode in 7.5 seconds, it will also keep productivity high ensuring no time is wasted – helping you reach your goals.

More hands-on. More mobile.

The SP C352DN is mobile ready and prepared for today's connected world. This printer gives you the option to quickly and securely send documents to print from Smart Devices. And its customisable 4.3 inch touch panel has an interface that's easy to navigate and discover everything you need to know – including information like ink status and print queues. Its functional design also fits right into Ricoh's A3 MFP-fleet.

The technology to do even more.

Work better and more flexibly too with everything you would expect from an A4 colour model, but with document sharing options, integration with major platforms and third-party software – as well as an easy integration with your MFP fleet. Our optional Flexrelease CX and Streamline NX software will let you securely access your cloud-based documents and print directly from the cloud.

SP C352DN

MAIN SPECIFICATIONS

GENERAL

Technology:	LED
Warm-up time:	18 seconds
First output speed:	Full colour: 7.8 seconds B/W: 6 seconds
Print speed:	Full colour: 30 pages per minute B/W: 30 pages per minute
CPU:	Intel Atom Processor Bay Trail: 1.46 GHz
Memory:	Standard: 2 GB Maximum: 2 GB
HDD (option):	320 GB (Encryption/Data Overwrite Security unit)
Duty cycle:	75,000 prints per month
Duplex:	Standard
Dimensions (W x D x H):	400 x 515 x 387 mm
Weight:	33 kg
Power source:	220 - 240 V, 50/60 Hz

PRINTER

Printer language:	Standard: PCL5c, PCL6, PostScript 3 (emulation), PDF direct Option: Genuine Adobe ®PostScript®3™, XPS, PictBridge
