50 ppm Monochrome

MP 601SPF
60 ppm Monochrome

Introducing the Smart, Capable, Powerful A4 Mono MFPs.

The RICOH MP 501SPF and MP 601SPF give you faster print speeds with a large 10.1 inch Smart Operation Panel that offers solutions, compatibility and communality with other Ricoh devices to enhance fleet management. But what's perhaps more important is the sheer range of work you can complete, including the ability to take on complex tasks much more efficiently, combined with a small footprint and durability that means these printers will be with you as your business grows.

- **Fast Print Speed:** MP 501SPF (50ppm) and MP 601SPF (60ppm)
- **New Smart user interface (UI)** provides intuitive multi-touch operation from the Smart Operation Panel
- **Intuitive 10.1-inch Smart Operation Panel** provides an ideal platform for a variety of solutions
- **Application Site** enables customers to download and update native embedded apps
- **First scheduled maintenance at 500,000 prints*** provides exceptional device reliability

Enhance capability with rich features and flexibility: The one-stop offering for your office solutions needs.

It's easy to be smart.

Our 10.1" Smart Operation Panel makes it even easier to touch, pinch, swipe and get the job done thanks to a range of features. Its customisable home screen and full internet browser capability helps you improve document processes in your office. Its intuitive user interface and its Application Site connectivity – where you can download apps directly – means no matter what you want to do, you can get on with the task in hand.

The complex made simple.

A new improved processor means you can complete even the most complex of jobs with the minimum of fuss. And the advanced controller gives you an overview of exactly what you need and what you can do next. All this technology is working in the background, so all you see is your productivity, speed and output increasing, which in turn helps your business become even more efficient.

Feature packed. Small footprint.

Thanks to their considered design, you don't have to worry about space, or set aside a specific area in the office. Their small footprint disguises just how much they can do – and these printers can be located almost anywhere, so you never feel hemmed-in by our technology. Which leads to a better working environment – and more productivity.

High productivity. Low impact.

Cost is always a concern for more productive businesses. But we know you want to put the environment first too. So these printers offer the best combination of technological features, value for money and also help aid sustainability. And this is thanks to innovations like low energy consumption – which result in lower energy costs – and long-life yield drums, so maintenance is almost eliminated.

RICOH MP 501SPF / MP 601SPF

MAIN SPECIFICATIONS

GENERAL

Warm-up time:	Less than 24 seconds (MP 501SPF)
	Less than 25.4 seconds (MP 601SPF)
First output speed:	6 seconds
Continuous output speed:	A4 simplex: 50ppm (MP 501SPF) / 60ppm (MP 601SPF)
	A4 duplex: 36ppm (MP 501SPF) / 43ppm (MP 601SPF)
CPU:	Intel Atom Processor Bay Trail: 1.46GHz
Memory:	Standard: 2 GB
HDD:	Standard: 320 GB
Dimensions (W x D x H):	475 x 504 x 645 mm
Weight:	28 kg
Power source:	220 - 240 V, 50/60 Hz

COPIER

Copying process:	Laser beam scanning and electrophotographic printing
Multiple copying:	Up to 999 copies
Resolution:	600 x 600 dpi
Zoom:	From 25% to 400% in 1% steps

PRINTER

Printer language:	Standard: PCL5e, PCL6, Adobe® PostScript® 3™, PDF
	Option: XPS
Print resolution:	Maximum: 1,200 x 1,200 dpi
Interface:	Standard: SD slot, Gigabit Ethernet 10 base-T/100 base-TX/1000 base-T
	Option: Bi-directional IEEE 1284,
	Wireless LAN (IEEE 802.11a/b/g), Bluetooth, USB Server for Second Network Interface, NIC2 Port USB 2.0
Mobile printing capability:	Apple AirPrint™
Network protocol:	TCP/IP
Windows® environments:	Windows® Vista, Windows® 7, Windows® 8, Windows® 8.1, Windows® 10,
	Windows® Server 2008, Windows® Server 2008R2, Windows® Server 2012, Windows® Server 2012R2
Mac OS environments:	Macintosh OS X v10.7 or later
UNIX environments:	UNIX Sun® Solaris: 9, 10
	HP-UX: 11.x, 11i v2, 11i v3
	SCO OpenServer: 5.0.7, 6.0
	RedHat® Linux Enterprise: 4, 5, 6
	IBM® AIX: V 5L, V5.3, V6.1, V7.1
SAP® R/3® environments:	SAP® R/3®
Supported barcode & OCR fonts	

SCANNER

Scanning speed:	ARDF: Max. 60 originals per minute
Resolution:	Maximum: 600 dpi
Original size:	A4, A5, B4, B5, B6, A6
Bundled drivers:	Network TWAIN

FAX

Circuit:	PSTN, PBX
Compatibility:	ITU-T (CCITT) G3
Resolution:	Standard: 8 x 3.85 line/mm, 200 x 100 dpI,
	8 x 7.7 line/mm, 200 x 200 dpi
Transmission speed:	G3: 2 second(s)
Modem speed:	Maximum: 33.6 Kbps
Memory capacity:	Standard: 4 MB

PAPER HANDLING

Recommended paper size:	Standard paper tray(s): A4, A5, A6, B4, B5, B6
Paper input capacity:	Standard: 600 sheets
	Maximum: 2,600 sheets
Paper output capacity:	Standard: 500 sheets
Paper weight:	60 - 220 g/m²

ECOLOGY

Power consumption:	Maximum: 1,500 W
	Ready mode: 90.7/88.6 W or less
	Sleep mode (Energy Saver): 3.4 W
	TEC (Typical Electricity Consumption):
	3.0 kWh (MP 501SPF) / 3.6 kWh (MP 601SPF)
	Energy Saver mode: 1.1 W

OPTIONS

1 x 500-sheet paper tray, Caster table, Bidirectional IEEE 1284, Wireless LAN (IEEE 802.11a/b/g/n), Bluetooth, IPDS unit, Counter interface, File format converter, Data Overwrite Security Unit (Certified version), Fax Connection Unit, OCR Unit, XPS direct print, NFC Card Reader, USB Device Server, Extended USB board

CONSUMABLES

Toner capacity:	Black: 25,000 prints
Declared yield value in accordance with ISO/IEC 19752	

For availability of models, options and software, please consult your local Ricoh supplier.
